

Please read the following information regarding Fashion and Crazy Cosmetic Contact Lenses.

These lenses, if properly cared for will last up to 60 days. For hygienic reasons (accumulations) and to protect your eyes, you should discard lenses within this time.

**Do not over wear**

- On the first day wear for no more than 4 hours, increasing to 6 hours on the second day and 8 hours on the third.
- Do not wear for more than 8 hours per day thereafter.
- If you leave your lenses out for several days then you should re-adapt.
- We don't recommend using contact lenses while swimming.
- Water borne bacteria can cause eye infections and damage the lenses.
- Do not use or share the contact lenses with other people.

**Handling contact lenses**

- Wash and dry hands thoroughly.
- Only use solution specific for cleaning, rinsing, disinfecting, rewetting, and storing of your soft lenses (no tap water).
- If a defect is found on the edge or if there are any irregularities on the surface of the contact lens then discard them immediately.

**Care**

- Your contact lens container must be completely and thoroughly cleaned regularly (minimum once a week).
- Replace your container with a new one every 6 months.

- **DO GET REGULAR EYE CHECKUPS**
  - **DO NOT SHARE LENSES**
  - **DO NOT LET LENSES DRY OUT**
- **NOT RECOMMENDED FOR PERSONS UNDER 16 YEARS OF AGE**

**Disclaimer:** We do not accept any responsibility for misuse or mistreatment of the contact lenses. We sell them to our customers in perfect condition and with the understanding that they are fully aware of their responsibilities in regards to health and safety.
